

Why Discipline Management Solution

With our Discipline Management Solution, where you can manage the Disciplinary processes of all your personnel and especially Blue Collar Employees within the organization, you can enter the Wage Deduction, Defense Request, Warning and Warning entries either on the Fiori or Gui screens. Besides, you can take the form printouts and instantly report them.

If you wish, you can determine the reasons for discipline in advance and set a standard in reporting or you can provide directly input in text.

Discipline Form Application

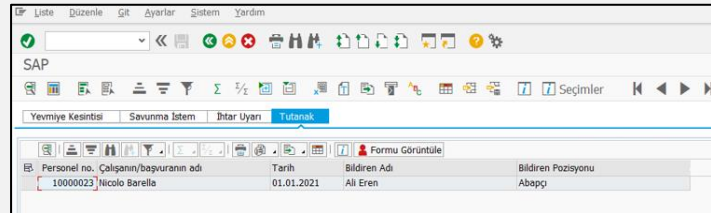

Rapidsol Discipline Management Solution

Our Discipline Management solution, where you can determine the disciplinary reasons before possible situations, it offers an application where you can easily classify and report the disciplinary problems you encounter.
