

## Why HR Management Cockpit Solution

We provide Centralized Control for Managers to view informations about their personnels on a single screen, request data changes, and provide instant data checks with special reports.

HR Management Cockpit

## General Specialities

In this solution, which expands the domain of the employee search application, we are expanding the set of actions that managers can take on behalf of their personnels.

We provide an integrated Executive Report environment with the reports prepared with the Overview Application.

## Detailed Access

For detailed information and to benefit from our service, you can [contact us](#) via the contact link.

## Rapidsol HR Management Cockpit Solution

Instead of confusing and unfriendly screen design, the minimalist and user-friendly Fiori Human Resources Manager Cockpit makes the monitoring of your HR processes efficient.
