

### Why Subcontractor Insurance Following Solution

We are aware of the fact that it takes time to manually perform the insurance checks of your subcontractor personnel working periodically in your company. In our Subcontractor Insurance Following solution, we provide you a service where you can easily follow whether the insurances of your existing subcontractors have been reported or not and we save your time you spend on Human Resources subcontracting processes.

### General Specialities of The Solution

Our Subcontractor Insurance Following solution, which is not available in standard SAP, ensures the smooth progress of legal processes by digitally processing subcontractors that are followed and reported by Human Resources in traditional ways.

### Detailed Access
